MINISTRY OF COMMERCE

(Office of the Chief Controller of Imports and Exports)

New Delhi, the 9th November, 1987

S.O. 3237--Hotel Taj Residency, 14, Mahatma Gandhi Road, Bangalore were granted an Import Licence No. P.P. 1477450/C/XX/03/MLS dated 18-2-87 for import of Kitchen Equipment Spares and Airconditioning Spares (As per list attached) for a cif value of Rs. 1,00,000/- with a validity of 18 months from the date of issue. Now the Part has applied for grant of a duplicate Import Licence i.e. Customs Purposes Copy as well as Exchange Control Purposes Copy of the aforesaid Import Licence on the ground that the subject import licence has been lost. The licensee has furnished necessary affidavit according to which the aforesaid Import Licence was not registered with any Custom House and was not utilised at all and the balance against the licence is Rs. 1,00,000. A declaration has also been incorporated in the affidavit to the effect that if the said Import Licence traced or found later on, it will be returned to the issuing authority. On being satisfied that the original Import Licence both copies i.e. Customs Purpose Copy and Exchange Control Purpose Copy of the aforesaid Import Licence has been lost, the undersigned directs that a Duplicate Import Licence i.e. Customs Purpose Copy as well as Exchange Control Purpose Copy of Import Licence No. P.P. 1477450/C/XX/03/H/87/MLS dated 18-2-1987 should be issued to the applicant. I also, in exercise of the powers conferred in Sub Clause (d) of Clause 9 of the Imports Trade (Control) Order 1955, hereby cancel the original Import Licence (both copies i.e. Customs Purpose Copy as well as Exchange Control Purpose Copy) of the above licence.

New Delhi, the 27th October, 1987

S.O. 3239.—In pursuance of regulation 4 of the Indian Standards Institution (Certification Marks) Regulations, 1955, the Indian Standards Institution, hereby, notifies that amendment(s) to the Indian Standard(s) given in the schedule hereto annexed have been issued under the powers conferred by the sub-regulation (1) of Regulation 3 of the said Regulations.

SCHEDULE

Sl. No. and title of the Indian Standard amended	No. and Date of Gazette Notification in which the establishment of the Indian Standard was notified	No. and Date of the amendment	Brief Particulars of the Amendment	Date from which the amendment shall have effect	
(1)	(2)	(3)	(4)	(5)	(6)
1. IS: 140—1980 Specification for ready mixed paint, Exterior, petrol resisting, Air-drying (First Revision)	S.O. 1593 dated 1984-05-12	No. 1 Sep 1984	(i) Page 6, Table 1, Sl No. (x) and (xi)-Delete (ii) Page 6, Table 1, foot-note (with '*' mark)-Delete	1984-09-30	
2. IS: 548 (Part-II)—1976 Methods of sampling and test for oils and fats Part 2 Purity tests (Third Revision)	S.O. 3493 dated 1976-10-02	No. 3 Sep 1984	Clause 7.0 has been amended	1984-09-30	
3. IS: 1239 (Part I)—1979 Specification for mild steel tubes, tubulars and other wrought steel fitting, Part 1 Mild steel tubes	S.O. 1341 dated 1982-04-03	No. 4 Sep 1984	New note has been added under clause 14.1	1984-09-30	
4. IS: 1367 (Part 5)—1980 Technical supply conditions for threaded steel fasteners Part 5 Mechanical properties and test methods for set screws and similar threaded fasteners not under tensile stressed	S.O. 3429 dated 1984-11-03	No. 1 Sep 1984	(i) (Page 2, Table 2, foot-note with '*' mark)—Substitute the following for the existing matter: 'Free-cutting steel may be used, with lead content 0.35 percent Max Phosphorus content 0.11 percent Max and sulphur content 0.34 percent Max' (ii) Existing hardness values of table 3 have been substituted	1984-09-30	
5. IS: 1596—1977 Specification for polyethylene insulated cables for working voltages upto and including 1100 volts (Second Revision)	S.O. 1728 dated 1981-06-13	No. 2 Aug 1984	Clause 10.1.2 has been added after clause 10.1.1	1984-08-31	
6. IS: 1604—1982 Specification for aviation Gasoline (Second Revision)	—	No. 2 Aug 1984	Page 5, Table 1, Sl No. (vi), col 3 to 6]—Substitute '60' for '60'.	1984-08-31	
7. IS: 2106 (Part 17)—1973 Environmental tests for electrical equipment Part 17 Simulated solar radiation at ground level	S.O. 4690 dated 1975-11-01	No. 2 Sep 1984	(i) (Designation)—Substitute 'IS: 9000 (Part 17/Sec 1)—1973' for 'IS: 2106 (Part 17)—1973' (ii) Title on first cover page, pages 1 and 3 has been substituted by a new one (iii) clause 1.1 has been amended	1984-09-30	

(1)	(2)	(3)	(4)	(5)	(6)
8. IS: 2458—1965 Glossary of terms for toothed gearing	S.O. 2673 dated 1965-08-28	No. 3 Aug 1984	(i) (Designation)—Substitute 'IS: 2458 (Part 1)—1965' for 'IS: 2458—1965' wherever it appears. (ii) Existing title on first cover page, pages 1 and 2 has been substituted by a new one (iii) Clause 0.3 and 0.4 have been substituted by new ones. (iv) (Page 38 to 47)—Delete Chapter 3 related to bevel and hypoid gears. (v) (Page 49 to 52, Index)—Delete terms covered in Chapter 3 from the Index.		1984-08-31
9. IS: 2911 (Part 3)—1980 Code of practice for design and construction of pile foundations Part 3 Under-reamed piles (First revision)	—	No. 2 Sep 1984	(i) (Page 8, clause 4.2, line 1)—Substitute 'IS: 432 (Part 1)—1982*' for 'IS: 432 (Part 1)—1966*'. (ii) Foot-note with '*' mark (Page 8) has been substituted by a new one. (iii) Clause 5.2.2.1 has been substituted by a new one. (iv) (Page 21, clause 5.4.2 and 5.4.3)—Delete. (v) (Page 21, Clause 5.4.7) substitute 50mm for 40mm (vi) Clauses 2.19, 5.1 and 5.2.1 (C) have been amended.		1984-09-30
10. IS: 2930—1980 Functional requirements for hose laying tender for fire brigade use	S.O. 3429 dated 1984-11-03	No. 1 Sep 1984	[Page 4, clause 4.1.1(a)]—Substitute '4.5 m' for '4.35 m'.		1984-09-30
11. IS: 3522 (Part 2)—1970 Methods for estimation of common preservatives used in textile industry, Part 2	S.O. 3015 dated 1971-08-14	No. 2 Aug 1984	(Page 8, clause 7.1.5)—Substitute '0.5 N' for '0.03 N'.		1984-08-31
12. IS: 3830—1979 Specification for water stills for pyrogen-free distilled water (Second Revision)	S.O. 2322 dated 1982-07-03	*No. 2 Sep 1984	(i) Clauses 2.2 and 4.2 have been substituted by new ones. (ii) clause 4.1 has been amended. (iii) Existing foot-note with '†‡' and '\$' marks have been substituted by a new one		1984-09-0
13. IS: 4117-1973 Specification for Alcohol Denaturants	S.O. 173 dated 1976-01-03	No. 1 Sep 1984	(Page 11, Table I, Sl No. 18, col (3) to (6)—Delete (a) with corresponding requirements.		1984-09-30

*For purpose of ISI Certification Marks Scheme; this amendment shall come into force with effect from 1986-03-01.

(1)	(2)	(3)	(4)	(5)	(6)
14. IS: 5029—1979 Specification for bedsteads, hospital, general purposes (First Revision)	S.O. 358 dated 1983-01-15	No. 2 Sep 1984	(i) (Page 5, clause 3.1.1, line 1 (see also amendment No. 1)—Substitute 'bows or frame' for 'framework' (ii) Clauses 4.2.3 and 4.4 have been substituted by new ones (iii) Clauses 4.1.5 and 4.3.1 have been amended.	1984-09-30	
15. IS: 5082—1981 Specification for wrought aluminium and aluminium alloy bars, rods, tubos and sections for electrical purposes (First Revision).	S.O. 2148 dated 1985-05-18	No. 1 Sep 1984	(i) New clause 5.1.1 has been added after clause 5.1 (ii) (Page 5, clause 8.2, line 3)—substitute 'radius' for 'diameter'.	1984-09-30	
16. IS: 5120—1977 Technical requirements for rotodynamic special purpose pumps (First Revision)	S.O. 1606 dated 1980-06-14	No. 3 Sep 1984	Clause 17.6 has been substituted by a new one	1984-09-30	
17. IS: 5219 (Part I)—1969 Specification for cast copper alloys traps (Part I 'P' and 'S' traps)	S.O. 436 dated 1970-02-07	No. 1 Sep 1984	[Page 9, Table 4, Col(3), last line]—Substitute '50' for '75'.	1984-09-30	
18. IS: 6106—1971 Specification for tables, operation hydraulic, minor	—	No. 1 Sep 1984	(i) Clause 3.5 has been substituted by a new one. (ii) (Page 4, clause 4.2, line 3) Add the word 'preferably' between the words '(without mattress)' and 'between 95± 5 cm' (iii) (Page 4, foot-note with '‡' mark)—Add the words 'first revision' after the words 'hospital equipment'.	1984-09-30	
19. IS: 6312—1980 Specification for polyethylene containers for the transport of materials (First Revision)	S.O. 1013 dated 1985-03-09	No. 1 Aug 1984	(i) Clause 7.4 has been substituted by a new one (ii) Existing note of clause D-2.1 has been substituted by a new one. (iii) clause 4.1 has been amended.	1984-08-31	
20. IS: 7305 (Part 2)—1975 Specification for fixed capacitors used in electronic equipment Part 2 Ceramic dielectric capacitors, Type 1	S.O. 313 dated 1979-01-27	No. 1 Sept 1984	(i) (Designation)—Substitute 'IS: 10825 (Part 1)—1975' for 'IS: 7305 (Part 2)—1975' herein and at the all other places, wherever the latter appears. (ii) Existing title at first cover page, pages 1 and 3 has been substituted by a new one.	1984-09-30	

(1)	(2)	(3)	(4)	(5)	(6)
21. IS: 8088—1976 Specification for tricycle, hand propelled	S.O. 3820 dated 1979-11-24	No. 1 Sep 1984	Clauses 4.3, 5.4 and 7.1 have been amended	1984-09-30	
22. IS: 8383—1977 Methods of test for fabrication integrity of oil hydraulic filter elements	S.O. 419 dated 1980-02-23	No. 1 Sep 1984	New clause 6 has been added after clause 5.2	1984-09-30	
23. IS: 8385—1977 Method of test for material compatibility of oil Hydraulic filter elements	S.O. 612 dated 1980-03-15	No. 1 Sep 1984	New clause 6 has been added after clause 5.2	1984-09-30	
24. IS: 8532—1977 Method of test for flow fatigue characteristics of oil hydraulic filter elements	S.O. 1995 dated 1980-07-26	No. 1 Sep 1984	New clause 6 has been added after clause 5.2	1984-09-30	
25. IS: 8644—1977 Specification for strip-woundcut cores of grain oriented silicon-iron alloy	S.O. 3408 dated 1980-12-13	No. 1 Sep 1984	Existing figure of Table 7 (Page 21) has been substituted by a new one	1984-09-30	
26. IS: 9000 (Part 18)—1981 Basic environmental testing procedures for electronic and electrical items. Part 18 Solderability test		No. 1 Sep 1984	Clauses 10.4.5 and 8.3 have been amended	1984-09-30	
27. IS: 9310—1979 Specification for water purifier, potable	S.O. 2325 dated 1982-07-03	No. 1 Sep 1984	Clause 5.3 has been substituted by a new one	1984-09-30

B.N. SINGH, Additional Director General

ऊर्जा मंत्रालय

(कोयला विभाग)

नई दिल्ली, 30 अक्टूबर, 1987

का. आ. 3241.—कोयला खान भविष्य निधि स्कीम के पैरा 31क के उपपैरा (10), प्रांध्र प्रदेश कोयला खान भविष्य निधि स्कीम के पैरा 12 के उपपैरा (10) और राजस्थान कोयला खान भविष्य निधि स्कीम के पैरा 11क के उपपैरा (10) में यह उपबंध है कि निधि में किसी सदस्य की बावत अन्तरित किसी रकम के बारे में यह समझा जाएगा कि वह रकम उस चालू अवधि के लिए उसका अभिदाय है जिसमें वह रकम निधि में प्राप्त होती है;

और उक्त स्कीमों के पैरा 2 (ट) के परन्तुक के अनुसार, किसी सदस्य की बाबत, जिसके पूर्ण भविष्य निधि में संचयन कोयला खान भविष्य निधि में अन्तरित कर दिए गए हैं, उक्त निधी की सदस्यता अवधि, की यथास्थित, उस कोयला खान या स्थापन में, जिसमें वह उस भविष्य निधि की अभिदाता बना जिससे उसके संचयनों को उक्त निधि में अन्तरित किया गया है, उसके नियोजन की तारीख से प्रारंभ हुई समझी जाएगी;

और मृत कर्मचारी के खाते में औमत अतिशेष, कोयला खान निक्षेप सहबद्ध बीमा स्कीम, 1976 के पैरा 21 के परन्तुक के अनुसार निक्षेप सहबद्ध बीमा प्रसुविधाओं की पात्रता के लिए पूर्ववर्ती तीन वर्षों के दौरान किसी भी समय 1000 रु. की राशि से कम नहीं होना चाहिए;

और जैसाकि अहुधा होता है कि कोयला खान भविष्य निधि स्कीम के पैरा 31क के उपपैरा (10), प्रांध्र प्रदेश कोयला खान भविष्य निधि स्कीम के पैरा 12 के उपपैरा (10) और राजस्थान कोयला खान भविष्य निधि स्कीम के पैरा 11क के उपपैरा (10) में अन्तरित उपबंधों को देखते हुए, कोयला खान भविष्य निधि के कुछ सदस्यों के नामनिर्देशित या उत्तर्जीवी सदस्य/विधिक वारिस निक्षेप सहबद्ध बीमा प्रसुविधाओं से बंछित कर दिए जाते हैं, यद्यपि उनकी सदस्यता की गणना उस स्थापन में जिसमें भविष्य निधि अन्तरित की गई है, नियुक्ति की मूल तारीख से की जाती है।

अतः अब, केन्द्रीय सरकार और कोयला खान भविष्य निधि और प्रकीर्ण उपबंध अधिनियम, 1948 (1948 का 46) की धारा 11ख द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, निम्नलिखित निदेश देती है, प्रथात्:—

“निक्षेप सहबद्ध बीमा स्कीम के प्रयोजन के लिए, अन्तरित संचयनों को उस चालू वर्ष के लिए, जिसमें सदस्य ने उस निधि में जिससे संचयनों का कोयला खान भविष्य निधि में अन्तरण कर दिया गया है, अभिदाय करना बंद कर दिया है, अभिदाय समझा जाएगा।”

समय सिंह, अवर सचिव

MINISTRY OF ENERGY
(Department of Coal)

New Delhi, the 30th October, 1987

S.O. 3241.—Whereas sub-paragraph (10) of paragraph 31A of the coal Mines Provident Fund Scheme, sub-paragraph (10) of paragraph 12 of the Andhra Pradesh Coal Mines Provident Fund Scheme and sub-paragraph (10) of paragraph 11A of the Rajasthan Coal Mines Provident Fund Scheme provided that any amount transferred to the Fund for a member shall be deemed to be his contributions for the currency period in which the amount is received in the Fund;

And whereas in terms of the proviso to paragraph 2(k) of the said Schemes period of membership of the Fund in respect of a member, whose accumulations in the past provident fund are transferred to the Coal Mines Provident Fund shall be deemed to have commenced from the date of his employment in the coal mine or establishment as the case may be, wherein he became a subscriber of the provident fund from which his accumulations are transferred to the fund;

And whereas the average balance in the account of the deceased employee should not be below the sum of Rs. 1,000 at any time during the preceding three years for eligibility for the Deposit Link Insurance benefit in accordance with the proviso to paragraph 21 of the Coal Mines Deposit Linked Insurance Scheme, 1976;

And whereas as it often happens that nominees or surviving members/legal heirs of certain members of the Coal Mines Provident Fund are deprived of the Deposit Link Insurance benefit in view of the provisions contained in sub-paragraph (10) of paragraph 31A of the Coal Mines Provident Fund Scheme, sub-paragraph (10) of paragraph 12 of Andhra Pradesh Coal Mines Provident Fund Scheme and sub-paragraph (10) of paragraph 11A of the Rajasthan Coal Mines Provident Fund Scheme although the membership is countable from the original date of appointment in the establishment wherefrom provident fund is transferred.

Now, therefore, in exercise of the powers conferred by section 11B of the Coal Mines Provident Fund and Miscellaneous Provisions Act, 1948 (46 of 1948) the Central Government hereby makes the following directive :—

“For the purpose of the Deposit Linked Insurance Scheme transferred accumulations shall be deemed as contribution for the currency period in which the member ceased to contribute to the provident fund from which accumulations have been transferred to the Coal Mines Provident Fund.”

MINISTRY OF LABOUR

New Delhi, the 4th November, 1987

S.O. 3245.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal Chandigarh, as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Food Corporation of India Sangrur, Punjab and their workmen, which was received by the Central Government on the 26th October, 1987.

BEFORE SHRI M. K. BANSAL, PRESIDING OFFICER,
CENTRAL GOVERNMENT/ INDUSTRIAL TRIBUNAL-
CUM-LABOUR COURT, CHANDIGARH

I. D. No. 4/87

PARTIES :

Employers in relation to the management of Food Corporation of India-Punjab Region.

AND
Their workmen

APPEARANCES :

For the workmen : Shri P. K. Singla.

For the management : Shri N. K. Zakhmi.

AWARD

Dated 15-10-1987

Vide Central Government Gazette notification No. 31 (37)/86-Con. I/D. II(B) dated 20th January 1987 issued under Section 10(1)(d) of the Industrial Disputes Act, 1947 the following dispute was referred to this Tribunal for decision :

"Whether the action of the management of Food Corporation of India in not extending the benefits of grant of additional increment to its class IV employees on the same terms as is given to the Class III employees as per its circular No. 113 of 1982 is justified ? If not to what relief are the class IV employees of Food Corporation of India entitled o and from what date."

2. The case of the workmen is that stagnation increment is being given to class III officials by FCI provided they complete 8 years service in one post and have no vigilance case or penalty case pending. Under circular dated 9-12-1982. That the said facility of stagnation increment is not being given to class IV employees placed in similar circumstances. That it amounts to discrimination and violates the provisions of the Constitution of India about equality.

3. The management in their reply alleged that under Section 45 of the Food Corporation of India Act 1964, the Government has absolute powers to regulate the service conditions. That no adjudication or authority can interfere. That grant of stagnation increment is management's function and Union can not interfere in it. That there is a scheme for grant of selection grade to category IV employee under circular dated 18-3-1980. So they can not get stagnation increment.

4. I have heard the parties and gone through the file. The facts of the case are not in dispute. W2 is the circular dated 9-12-1982 whereby stagnation increment has been allowed to class III employees. Workmen also placed on the file Ex. M1. circular dated 18-3-1980. Persual shows that category III and IV posts were given selection grade also. So one contention of the management that selection grade was given to class IV employees so stagnation increment can not be grade to Class III employees also. They have given stagnation grade to Class III employees also. They have given stagnation increments to them also.

5. Now the next point is whether under Section 45 of FCI Act of 1964 Central Government has powers to make rules about conditions of service or not. The persual of the above section shows that there is power in Central Government order Sub-Clause 2(a) which as under :

"Without prejudice to the generality of the foregoing power, such regulations may provide for :

(a) The method of appointment, the conditions of service and the scales of pay of the officers and employees of a FCI, other than the Secretary of the Food Corporation of India".

6. The persual of the above section shows that Central Government has powers to make rules about service conditions and scale of pay of the officers. The order of the Central Government giving stagnation increment to category III employees can not be held to violate the principle of equality as enshrined in Constitution, simply on the ground that it was not given to the Class IV employees. Class IV employees gets some benefits like Uniforms and other allowances which are not available to Class III employees. So I am of the view that in the present case workmen of Class IV category have not right to claim stagnation increment at par with

Class III employees. The reference is answered against the workman.

New Delhi, the 6th November, 1987

S.O. 3246.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, New Delhi, as shown in the Annexure, in the industrial dispute between the employers in relation to the New Bank of India and their workmen, which was received by the Central Government on the 23rd October, 1987.

BEFORE SHRI G. S. KALRA, PRESIDING OFFICER,
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL,
NEW DELHI

I.D. No. 34/87

In the matter of dispute between :

Shri Vinod Kumar through the General Secretary, New Bank of India, Staff Association, C/o. NBI, C-2, Shivaji Park, Punjabi Bagh, New Delhi.

Versus

T'c Assistant General Manager, New Bank of India, R/O (Delhi), Vikrant Tower, Rajendra Place, New Delhi.

APPARANCES :

Shri S. Ramji—for the Management.

None—for the workman.

AWARD

The Central Government in the Ministry of Labour vide its notification No. L.12012/61-86-IV(A) dated 1-5-87 has referred the following industrial dispute to this Tribunal for adjudication :

"Whether the action of the management of New Bank of India in deducting wages of Shri Vinod Kumar, Clerk-cum-Cashier, Darya Ganj Branch, Delhi for 15-1-86, 16-1-86, 17-1-86, 18-1-86, 20-1-86, 21-1-86, 24-1-86, 1-2-86, 3-2-86, 4-2-86, 10-3-86, 11-3-86 and 12-3-86 is justified? If not, to what relief is the workman entitled to?"

2. In the order of reference itself the party raising the dispute was directed to file statement of claim complete with relevant documents, list of reliance and witnesses with this Tribunal within 15 days of the receipt of order. However, no such statement of claim etc. was filed. A registered notice was sent to the workman but he failed to put in appearance and, thereafter another notice was sent. On

24-8-87 one Shri S. K. Sirohi put in appearance for the workman and took adjournment for filing statement of claim. On 22-9-87 one Raj Kumar appeared for the workman and took further adjournment for filing statement of claim. On 8-10-87 again the said Shri Raj Kumar appeared and took adjournment for filing of the statement of claim. However, no such statement of claim had been filed even on the adjournment date i.e. today nor any body has appeared on behalf of the workman. Hence this reference is disposed of for non prosecution.

Further it is ordered that the requisite number of copies of this award may be forwarded to the Central Government for necessary action at their end.

13th October, 1987.

Employers in relation to the management of Dena Bank.
AND

Their workman—Amrik Singh.

APPEARANCES :

For the workman—Workman in person.
For the management—Shri S. P. Ram.

INDUSTRY : Banking STATE : Punjab

AWARD

Dated 15-10-1987

Vide Central Government Gazette notification No. L-12012/490/86-D.II(A) dated 21-7-1987 issued under Section 10(1)(d) of the Industrial Disputes Act, 1947, referred the following industrial dispute to this Tribunal for decision:

"Whether the relation of master and servant existed between Dena Bank and Shri Amrik Singh, ex-armed guard and if so, whether the action of the Bank in terminating his services was justified? If not, to what relief is the concerned workman entitled?"

2. Facts giving rise of the above reference need not be reproduced due to settlement arrived at between the Management and the Workman before me. The Management vide statement of Shri S. P. Ram dated 15-10-1987

87/1351 GI—10

stated that they are willing to take Amrik Singh as a Watchman on fresh appointment. That posting will be given in any branch of the Bank in Punjab within one month from today. That he will not be entitled to any wages or any benefit as claimed by him for the past services from the Bank.

3. Workman vide his statement dated 15-10-1987 agreed to join in the Bank as fresh appointee. He has given up for his claim for back wages and other benefits, as claimed in the present case.

4. In view of the above settlement it is held that Bank will give fresh appointment to the workman within one month from today in any branch of the Bank in Punjab. The claim of the workman for backwages will stand denied to him on his getting fresh appointment. If Bank does not give appointment within one month he will be entitled to get wages from the Bank from 15-10-1987. Reference is answered accordingly.

Chandigarh.

S.O. 3248.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Industrial Tribunal, Hyderabad as shown in the Annexure in the industrial dispute between the employers in relation to the Canara Bank and their workmen, which was received by the Central Government on the 28th October, 1987.

BEFORE THE INDUSTRIAL TRIBUNAL (CENTRAL)
AT HYDERABAD

PRESENT :

Shri K. B. Siddappa, M.A., B.L; Industrial Tribunal;
Industrial Dispute No 22 of 1986

BETWEEN

The Workmen of Canara Bank, Bangalore.

AND

The Management of Canara Bank, Bangalore

APPEARANCES :

Sri K. Sanjeeva Reddy, Advocate for the Workman.
Sarvasari M. L. Ramakrishna Rao, M. R. Harsha
and A. K. Jaya Prakash Rao, Advocates for the Management.

AWARD

The Government of India, Ministry of Labour in their Order No. L-12012/169/85-D. II(A) dated Nil 1986 referred the following dispute which arose between the Management of Canara Bank and its Clerk by name Sri G. Devadas under Sections 7A and 10(1)(d) of the Industrial Disputes Act, 1947, for adjudication. The reference is as follows :

"Whether the action of the Management of Canara Bank in terminating the services of Sri G. Devadas Clerk with effect from 30-T2-S1 is justified? If not, to what relief is the workman concerned entitled?"

The reference was registered and numbered as Industrial Dispute No. 22 of 1986. Notices were served on the parties and they made their appearances.

2. The Workman filed claim statement. He stated that he joined service on 25-11-1985 and served the Bank for more than five years. There were no complaints whatsoever. He is the resident of Dharmaram village. One Sri Gaitla Prasad who is the customer of the Bank is also the resident of the same village. On the request of G. Prasad the petitioner opened an account in the Bank by introducing him. An amount of Rs. 1,500.00 was kept in his account and out of that an amount of Rs. 1,000.00 was kept in deposit. Sri G. Prasad requested the petitioner to get an amount of Rs. 200.00 through his letter dated 29-10-1979. He also wrote another letter dated 19-11-1979 requesting to get an amount of Rs. 200.00. Accordingly the petitioner got those amounts. However, G. Prasad in the absence of the petitioner came to the Bank to draw an amount of Rs. 400.00 out of Rs. 1,000.00 without knowing the procedure. Subsequently on enquiry G. Prasad said that he has no grievance against the petitioner.

3. The three charges were levelled against the petitioner. One in respect of the above said transaction. Second is in respect of festival advance of S. R. Chandan Raj on 10-1-1980. The charges are baseless. S.R. Chandan Raj was in service for more than two years in the Bank and knows the transactions. The said person without credit to his account drawn an amount of Rs. 250.00 from his account. The Respondent bank admits that the petitioner gave the sum of Rs. 200.00 to Chandan Raj on the same day. This itself clearly shows that the petitioner had no fraudulent intention. He worked in Vijayanagar Branch for two years. He carried lakhs of rupees for remittances to the State Bank. At no point of time there was any complaint. The third charge is that the petitioner discounted the sum of Rs. 200.00 from Allahabad Bank, Dharmavaram on 21-5-1979. Again on 30-5-1979 a sum of Rs. 300.00 was drawn though there was no amount in the Bank and that the delay cheques and entries were not made. The Petitioner submitted that the delay and misplacement of the cheques was not due to the petitioner's negligence. There was no facility in delaying the matter. The petitioner gave duplicate cheques which were honoured and there was no defect in this. Infact, the Branch Manager wantonly took the application from Chandan Raj towards Festival advance and all these problems were created by the Manager.

4. The Respondent issued a letter dated 22-2-1980 calling for explanation from the petitioner within three days. The petitioner gave a letter dated 26-2-1980 requesting the Management to grant ten days time for submission of explanation and to refer the matter to the union. The Branch Manager advised the petitioner not to approach the union. He asked the petitioner to admit the charge and that nothing would happen. The petitioner gave reply on 3-4-1980, he Branch Manager meanwhile took statement from B. Muni Raj in respect of transfer of amount in the amount of G. Prasad. Likewise he also took statement of Siraj Ahmed on 3-3-1980 with an intention to prepare grounds against this petitioner. One S.S. Kamath, Superintendent was appointed as Enquiry Officer he gave his report to the Deputy General Manager, Bangalore. Charge Sheets were issued to the petitioner on 3-9-1980 framing three charges. The petitioner was placed under suspension on 4-9-1980. The Respondent informed through the letter dated 1-1-1981 about the appointment of Enquiry Officer. The Enquiry Officer sent a letter to the petitioner dt. 12-2-1981 informing the date of enquiry which was fixed on 19-3-1981 at 11.30 a.m. The petitioner met Deputy General Manager. He promised lesser punishment if the petitioner accepts his guilt before the Enquiry Officer. As per his advice the petitioner admitted his guilt in good faith. The enquiry officer examined management witnesses. In the enquiry G. Prasad admitted that he gave authorisation to the petitioner to draw amounts. Even then Enquiry Officer found that the charge is proved. The enquiry officer submitted his report recommending for removal of the petitioner from service. Then the Respondent Management issued the letter to the petitioner to appear before them on 19-6-1981 at 9.30 a.m. He appeared before the Management requesting for lesser punishment. His request was not considered. Final Orders were passed on 17-12-1981 removing the petitioner from service with effect from 30-12-1981. Then the petitioner appealed to the Board of Directors on 16-6-1982. The Re-

spondent sent a letter to the petitioner on 16-6-1982 that the appeal was dismissed. The petitioner is not aware of the proceedings before the Labour Commissioner at Madras. He has no jurisdiction to go with the proceedings.

5. Subsequently the petitioner made mercy petitions to the President of India dated 15th December, 1982, 1st March, 1983, 31st October, 1984 and 5th February, 1985. In pursuance of that, notice were issued to the petitioner directing him to appear before the Assistant Labour Commissioner, Hyderabad (Central) on 19th May, 1985 at 11.30 a.m. Conciliation proceedings were posted to 9th August, 1985 and the Conciliation authority referred the matter to this Tribunal.

6. The petitioner worked for five years to the entire satisfaction of the authorities. On the advise of the Branch Manager, Warangal and Deputy General Manager, he accepted the charges. The charges are minor in nature. The punishment of dismissal is wholly disproportionate to the gravity of the charges. He is aged 41 years and he is having minimum qualification of matriculation. There is no chance of getting any other job. He is having two children, two brothers and two un-married sisters and father. The entire family depends upon the earnings of the petitioner. Due to the dismissal, his family would suffer untold misery. He belongs to Scheduled Caste, there is no other source except, the income from service. No customer is put to loss due to the action of the petitioner. The petitioner is unemployed from the date of removal. Therefore he prayed that he be reinstated by setting aside the orders of dismissal dated 17th December, 1981 and grant continuity of service and full back wages with all attendant benefits and other reliefs warranted under the circumstance of the case.

7. The Respondent Management filed counter. They stated that the reference itself is misconceived, illegal and invalid. Without prejudice to the above contention they stated that the petitioner joined service on 25th November, 1975. He was working in Warangal Branch. Memo of charges dated 22nd February, 1980 were served on the petitioner. The petitioner submitted his explanation which was found unsatisfactory. Therefore the charge sheet was issued to the petitioner on 3rd September, 1980 under Chapter XI, Regulation 9(i)(a) of the Canara Bank Service Code framing three charges as enumerated in charge sheet. The petitioner was placed under suspension. The petitioner was given every opportunity in the enquiry. The petitioner himself admitted his guilt before the Enquiry Officer. The Enquiry Officer gave full opportunity to cross examine the witnesses of the Management. On the basis of the legal evidence the enquiry officer submitted his report holding, that the petitioner is guilty of the charges. The Respondent submits that the findings of the Enquiry Officer are legal, valid and conducted in compliance with the principles of natural justice.

8. With regard to the averment made in para 2 of the claim statement, they submitted that one G. Prasad, customer opened an account on 25th October, 1979. The petitioner submitted a letter dated 29th October, 1979 to the Branch Manager reported to have been written by G. Prasad requesting that the amount of Rs. 200.00 may be transferred to the petitioner's account S.B. A/c. No. 10600. Accordingly the said amount was transferred. The petitioner withdrew that amount on the same day. Again on 19th November, 1979 the petitioner submitted another letter of G. Prasad requesting to transfer a sum of Rs. 200.00 from his account to the account of the petitioner. It was done so and the petitioner withdrew that amount. Subsequently G. Prasad complained that he did not give any authorisation letters. The petitioner made entries in the pass book of G. Prasad. He committed two debit entries of Rs. 200.00 each. G. Prasad came to the Bank on 15th February, 1980 to draw a sum of Rs. 100.00 from his account. There was a balance of Rs. 100.42 rs. If the amount of Rs. 100.00 was withdrawn only Rs. 0.42 paise would remain as balance. The record show that the petitioner credited an amount of Rs. 5.00 to the account of G. Prasad to bring the balance of Rs. 5.42ps. The pay slip is signed by the petitioner. The above facts show that the petitioner fraudulently got transferred the sum of Rs. 200.00 on each occasion. The petitioner made false entries in the pass book also. This constitute a misconduct.

under Chapter XI Regulation 3(m) of the Service Code of the Bank. However before the Enquiry Officer G. Prasad turned hostile even then it cannot be said that the charge is false. It is pertinent to note that the Sri G. Prasad was issued a cheque book on 25th October, 1979 and if really the said account holder wanted to withdraw any amount from his account he would have given a cheque instead of the written letters for transfer of amount. As a matter of fact G. Prasad came to the Bank on 21st February, 1980 requested for payment of Rs. 400.00 from his account, he was informed that the balance would not be sufficient. G. Prasad denied the fact of his writing letters of authorisation to transfer of Rs. 200.00 on each occasion. The pass book of G. Prasad showed balance of Rs. 500.00 as on 19th November, 1979 whereas the actual balance as per the Bank record was only Rs. 100.00. The last entry in the pass book was written by the petitioner himself. This would clinchingly establish the mala fide intention of the petitioner.

9. With regard to the averment in Para 3 the Respondent stated that on 10th January, 1980 one Sri Chandan Raj, Typist-cum-Clerk of the Bank was granted Festival Advance of Rs. 200.00 and he wanted that amount to be credited on his S.B. Account. The debit slip with dummy was prepared by the concerned Clerk and he signed on the reverse of the slip not knowing the procedure. There was balance of Rs. 99.11 ps. in the account of Sri Chandan Raj and expecting credit of Rs. 200.00 Chandan Raj was issued a cheque for Rs. 250.00 and the cheque was passed in anticipation of the credit of the festival advance. It is submitted that in the evening at about 4.30 p.m. the petitioner was working as Receipt Cashier. He brought cash of Rs. 200.00 to Chandan Raj and stated that it was his festival advance. Chandan Raj informed the petitioner that he had already received the festival advance through S.B. Account and asked the petitioner to return the amount to the cashier. The dummy slip had gone to cash department instead of S.B. Department as stated by Chandan Raj. The petitioner put a token number on the slip but Chandan Raj was not given any token. The petitioner did not return the amount to the Payment Cashier and so misappropriated the same. There were two entries in the Sundry account in the name of Chandan Raj. He was asked to repay Rs. 200.00 and accordingly he had credited Rs. 200.00 but given a letter on 29th January, 1980 requesting the petitioner to reimburse Rs. 200.00 explaining the transactions. Therefore, the petitioner fraudulently acted in this transaction also.

10. With regard to the averment in para 4 the Management stated that the petitioner got discount of two cheques on 21st May, 1979 and 30th May, 1979 for Rs. 200.00 and Rs. 300.00 respectively drawn on the S.B. Account No. 109 Allahabad Bank, Dharamavaram. The Branch Manager of Warangal having not received the proceeds enquired Allahabad Bank, Dharamavaram and he was informed that the cheques were not received by them. He was also found that there were no balance in the account of the Petitioner at Allahabad Bank at Dharamavaram. The cheques might have been intercepted by the petitioner as there was no balance during the relevant period. Thus the petitioner mis-utilised the discounting facility extended by the Bank to its employees and misappropriated the fund of the Bank. The fact that the petitioner gave duplicate cheques which were honoured does not absolve misconduct committed by the petitioner. It is not correct to say that the Branch Manager wantonly took statement of Chandan Raj and others.

11. The averment in para 5 are also not correct. It is not correct that the Branch Manager advised the petitioner to admit the charges and nothing would happen as it was a small matter. The petitioner sought time to refer the matter to his Union and also submit explanation. This itself shows that nobody had assured that lenient view would be taken. The petitioner did not submit any explanation to the charge sheet. Sri S. S. Kamath obtained the letters from Muni Raj and Siraj Ahmed but not the Branch Manager as alleged. The petitioner on his own volition admitted the charges during the enquiry. The charge sheet was issued on 3rd September, 1980 and the petitioner was placed under suspension on 4th September, 1980. Sri R. A. Vaidya conducted the enquiry following the principles of natural justice. The petitioner had admitted his guilt in unequivocal terms. The petitioner cross examined the witnesses examined for the management. The petitioner managed G. Prasad and Prasad stated that he gave letters. However the charges are proved.

The petitioner lost confidence of the Bank. The charges were proved beyond reasonable doubt. The dismissal order is legal and valid. The petitioner preferred an appeal to the Board of Directors. He admitted the charges but pleaded mercy. The appeal was rejected. The averment in para 8 that the petitioner admitted the charges on the advise of the Branch Manager, Warangal and Deputy General Manager is not correct. The facts in claim statement are the product of an after thought. The punishment imposed is also commensurate with the gravity of the charges. The petitioner is not entitled for any relief. They prayed that the action taken by them may be upheld.

12. The counsel for the workman filed Memo dated 3rd March, 1987 stating that the enquiry conducted by the Management is fair and proper and the case might be posted for arguments on merits. This Memo was allowed. Accordingly no witnesses were examined. However the Management marked Exs. M1 to M10 by consent.

13. Now the point for consideration is whether the action of the Management in dismissing the workman is justified?

14. There is no doubt that G. Devadas, the charged workman in this industrial dispute was working as a Clerk in the Respondent-Bank. He was appointed on 25th November, 1975. At the time of admitting the irregularities, he was working in Warangal Branch of the Respondent-Bank. The charges are as follows: On 10th January, 1980 he was working as Receipt clerk. He unauthorisedly and fraudulently received Rs. 200.00 being the festival advance payable to Sri Chandan Raj and misappropriated the same. The employee fraudulently got transferred the sum of Rs. 200.00 each on 20th October, 1979 and 19th November, 1979 from the S.B. Account of Sri G. Prasad customer of the Branch to his own account on the basis of false letters of authority and misappropriated the same. He made false entries into the pass book of the customer without disclosing two debits by which he received two sums of Rs. 200.00. Further the employee discounted two cheques drawn on Allahabad Branch, Dharamavaram on 21-5-1979 and 30-5-1979 for a sum of Rs. 200.00 and Rs. 300.00 separately being aware that he had not sufficient balance in his S.B. account and there was amount outstanding in respect of the above cheques were paid by obtaining duplicate cheques. These acts constitutes misconduct under Chapter XI Regulation 3(m) (2)(a) Chapter XI Regulation 3(m) of the Canara Bank Service Code.

15. The Management during the domestic enquiry examined as many as 9 witnesses. They all invariably stated and testified the charges levelled against the petitioner. Of course M.W4 before the Enquiry Officer stated that he issued authorisation letters which were marked as Ex. M5 and M6 before the Enquiry Officer. However there is ample proof that these letters were issued by M.W4.

16. The Management served charge sheet on the petitioner. The petitioner participated in the domestic enquiry. He cross examined the witnesses also. During the domestic enquiry he categorically admitted the charge levelled against him. However he stated that he admitted due to assurances of Branch Manager, Warangal and Deputy General Manager that a lenient view would be taken if he accepts the charges. This version cannot be believed. The petitioner is not a child to be lured to admit the charges which he did not commit. The Enquiry Officer gave full opportunity to the petitioner to cross examine the witnesses. As a matter of fact statement of the petitioner was also recorded. The representation of Chandan Raj dt. 29-2-1980 is marked as Ex. M1 the debit slip in respect of the festival advance of Chandan Raj is marked as Ex. M2. The entry in the payment wage dt. 10-1-1980 marked as Ex. M3 the pass book of G. Prasad is marked as Ex. M4. The ledger sheet of G. Prasad is marked as Ex. M4(a). The letters of authorisation are marked as Exs. M5 and M6. Ex. M5 is a letter of G. Prasad. The statement of Siraj Ahmed is marked as Ex. M8. The entry in respect of discounting the cheque drawn on Allahabad Branch, Dharamavaram is marked as Ex. M9. The entry in respect of discounting cheque is marked as Ex. M10. The letter of Allahabad Bank is marked as Ex. M11. The entry in respect of duplicate cheque obtained from the petitioner is marked Ex. M12 and M13. The letter dated 22-2-1980 addressed to the petitioner is marked as

Ex.M14. The cheque dated 15-2-1980 issued by G. Prasad is marked as Ex.M15. The cheque dated 22-1-1980 for Rs.400.00 is marked as Ex.M16. The pass sheet of S. B. Account of the petitioner is marked as Ex.M17. The cheque dated 25-2-1980 for Rs.600.00 is marked as Ex.M18 before the enquiry officer. By perusal of these documents there will be no room to the doubt that the petitioner committed the alleged misconduct. The oral evidence of the witnesses clearly establish the charges levelled against the petitioner.

17. The Counsel for the petitioner has filed Memo stating that the domestic enquiry conduct is proper.

18. As per the merits are concerned, I have, already observed that the domestic enquiry was conducted fairly and enquiry officer properly appreciated both oral and documentary evidence, the charges were proved beyond doubt.

19. The petitioner stated that he is Harijan and he has large family to maintain and that lenient view might be taken. It is in his submission that the order of dismissal is disproportionate to the charges even if they are proved. I am not inclined to accept this contention. The petitioner was working in a Nationalised Bank. The banking transactions are carried on the basis of confidence in the employee. If the bank employees resorted to this kind of misappropriation, there is no security for the public money. The entire edifice of banking system would crumble. This would bring about enorlous misery to the National economy and would do devastating damage to the National fabric. The petitioner may be Harijan, may be having large family to support. These responsibilities he would himself have taken into consideration before committing the proved misconduct. The petitioner committed gross misconduct of misappropriation of public money. No lenient view can be taken.

20. The action of the Management in dismissing the petitioner is justified. Therefore I hold that the Management of Canara Bank is justified in terminating the services of Shri G. Devadas Clerk with effect from 30-12-1981. Hence the Award.

Dictated to the Stenographer, transcribed by him, corrected by me and given under my hand and the seal of this Tribunal, this the 13th day of October, 1987.

On behalf of the Employers—Shri B. Joshi, Advocate.

STATE : Bihar

INDUSTRY : Coal

Dated, Dhanbad, the 21st October, 1987

AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(284) 85/D.III(A), dated the 8th April, 1986.

THE SCHEDULE

“Whether the action of the management of Simlabahal Colliery, Kustore Area VIII of M/s. Bharat Coking Coal Limited in dismissing from service their workmen, Shri Suresh Kumar Pandey, Havildar, with effect from 11-10-1984 is justified ? If not, to what relief is the concerned workman entitled ?”

The case is that the concerned workman Shri Suresh Kumar Pandey was working as a Havaldar in the security department of Simlabahal Colliery of M/s. B.C.C.L. The concerned workman was on patrolling duty between 10 P.M. of 12-12-82 to 6.00 A.M. of 13-12-82. 7 Night Guards were posted under the control and supervision of the concerned workman to guard the company's property during the relevant period. The Havaldars do their patrolling duty in the entire area where the seven Night Guards were posted. The Havaldars were not posted on any particular place during the period of the posting of the concerned workman. In between the night 12-12-82 and 13-12-82 a theft was committed inside the cash room of Bhalgora section of Simlabahal colliery by breaking open the backside door of the cash room and breaking the lock of the iron safe. It was alleged that an amount of Rs. 203537 was stolen away from the iron safe of the cash room as a result of that theft. The concerned workman and some others were issued chargesheet for the said theft and disciplinary action were taken against them. The chargesheet against the concerned workman was issued on 13-12-82 for misconduct or dishonesty in connection with the employers business or property and negligence of duty causing loss of huge amount to the management under clause 17(a) and (f) of the Model Standing Orders applicable to the said colliery. The concerned workman had submitted his reply to the chargesheet denying the charges alleged against him. A departmental enquiry was conducted by Shri S. D. Singh, the Dy. P. M. Kustore Area into the said chargesheet in accordance with the principles of natural justice in presence of the concerned workman. After considering the enquiry proceeding, the enquiry report and all other relevant papers the management decided to dismiss the concerned workman from service with effect from 11-10-84. Thereafter the present dispute was raised leading to the present reference.

The case of the workman is that the concerned workman was on duty from 10 P.M. of 12-12-82 to 6 P.M. of 13-12-82. There was no specific post on which the concerned workman was deputed to work. His duty was to check and supervise the Night Guards posted in the specified area. It took about 2 hours time for the concerned workman for patrolling from the colliery office to the Area office and back to the colliery office. The theft which took place in the cash room would not have taken more than 10 to 15 minutes when the concerned workman was on his patrolling duty away from the cash room. The management had also filed one FIR in respect of the said occurrence of theft in which the concerned workman was not named as an accused but was named as a witness. It was on a subsequent occasion that the management had expressed their doubt against the concerned workman on the basis of which the Police had made enquiries against the concerned workman. The Police did not submit chargesheet against the concerned workman after making an enquiry in the case. It is further submitted that the charge against the concerned workman was not established in the enquiry.

The case of the management is that the concerned workman had admitted the occurrence of theft during his duty hours. He has denied the responsibility in his reply to the chargesheet on the plea that he was not required to be posted at one place and theft took place within a period of 15 to 20 minutes while he was away in patrolling in another place. The concerned workman did not report to the management about the theft on the plea that the concerned workman had not detected the theft. If the Night Guard on duty had been present without sleeping on duty and the concerned workman would have ensured regular checking and supervision the theft could have been prevented and it could have been immediately detected. It was a glaring case of connivance of the concerned workman with the miscreants causing huge loss to the management by dishonest and negligent act and utter failure of duty in discharging strict responsibility fixed upon the concerned workman. The enquiry officer submitted his enquiry report date 15-2-83 after completing the enquiry holding the concerned workman guilty of the misconduct alleged in the chargesheet against him. The concerned workman had neglected in his duties in not taking adequate steps to ensure proper guarding of the cash room. The concerned workman cannot escape the responsibility on his assertion that he was not directly involved with

the theft in the cash room. It was difficult to get direct evidence of connivance with the theft or the complicity of the concerned workman but the dishonesty can be inferred from the circumstantial evidence from the conduct of the concerned workman. It is submitted therefore that the action of the management is legal bonafide and the punishment of dismissal imposed upon the concerned workman was proportionate to the misconduct committed by him and as such he is not entitled to any relief.

The concerned workman had been dismissed after holding a domestic enquiry into the charges issued against him. The management therefore submitted at the early stage that it first be decided as a preliminary issue whether the domestic enquiry held against the concerned workman was fair, proper and in accordance with the principles of natural justice. Accordingly the preliminary issue was heard first and the said issue was decided by the order dt. 26-6-87 holding that the enquiry held into the charges against the concerned workman was fair, proper and in accordance with the principles of natural justice and the case was set for hearing on merit.

The point for decision is whether there was material before the enquiry officer to hold the concerned workman guilty of the charges levelled against him in the departmental proceeding.

The management has produced all the relevant papers in connection with the enquiry proceeding and they are marked Ext. M-1 to M-8. The workmen also have produced documents which have been marked Ext. W-1 to W-5.

The management examined two witnesses before the enquiry officer in connection with the chargesheet Ext. M-2 dt. 13-12-82. In the chargesheet the concerned workman was charged for dishonesty in connection with the employers business of negligence of work under clause 17(a) and 17(f) of the Model Standing Orders applicable to the colliery. It is further stated in the chargesheet that on 12-12-82 while the concerned workman was on patrolling duty in and around the colliery premises from 10 P.M. of 12-12-82 to 6.00 A.M. of 13-12-82 a theft took place in the cash room of Bhalgora colliery due to which the company sustained a loss of Rs. 203537 and at that time the duty of the concerned workman was to check every joint during the duty hours but due to his failure to perform the same, a theft took place in the cash room during his duty hours and thus it was alleged that the concerned workman was not vigilant on his duty and neglected the same. The concerned workman had given explanation to the said chargesheet. The explanation is marked Ext. M-7 dt. 16-12-82 in which the concerned workman has stated that he was not responsible for the theft Ext. M-1 dt. 13-12-82 is the complaint by Shri Kazmi, Manager of Simlabahal colliery to the Officer In-charge Jharia Police station regarding the theft from Bhalgora colliery cash room. It will appear from this complaint that the Manager was informed by Shri Ram Prasad Barhi of Bhalgora at 7.40 A.M. on 13-12-82 and thereafter the Management went to the cash room and found the lock of the cash room door and the lock of the chest broken. It is further stated that Shri _____ Night Guard was on duty at the cash office from 4 P.M. to 12 P.M. on 12-12-1982 and Shri Ram Prasad Barhi was on duty from 12 P.M. to 8.00 A.M. on 13-12-1982. It is also stated that one CISF personnel was also on duty in the back side of the office at the main gate. It appears from this complaint of the Manager that it was not known at what time the theft had taken place. One thing is very clear from the said complaint that Shri Ram Prasad Barhi, Night Guard of Bhalgora colliery who was on duty from 12 mid night to 8 A.M. on 13-12-1982 that the lock of the cash room and the lock of the chest was broken and that one CISF personnel was also on duty in the back side of the office, the main gate. Keeping the above facts in mind let us examine the evidence of the two witnesses examined on behalf of the management. The witnesses are Shri S. H. A. Kazmi, Manager of Simlabahal colliery on whose complaint an information was lodged at Jharia P. S vide Ext. M-1. The other witness is Shri G. I. Goswami cashier. Shri S. H. A. Kazmi was admittedly not present at the time of theft he came to the cash room on being informed Ram Prasad Barhi, Night Guard at 7.40 A.M. on 13-12-1982. He has stated that on receiving the information of the theft he rushed to the office and learnt that the front door of the

office was locked and the back door was open from which side theft had been committed. He has stated that the concerned workman Shri Suresh Kumar Pandey, Havaldar was on duty in the night between 10 P.M. of 12-12-1982 to 6.00 A.M. on 13-12-1982. He had further stated that seven night guards had been posted at seven posts whose attendance and supervision was to be carried out by the concerned workman as Havaldar. The Manager had stated that it was due to the negligence of the concerned workman that the theft took place. Shri G. L. Goswami cashier had stated that he was working as a Cashier in Bhalgora colliery. He has stated that the theft had taken place in the night of 12-12-1982 after breaking open the lock of the cash room and the lock of the chest. He has also stated that the concerned workman was on duty as Havaldar in the said night. The concerned workman did not even cross-examine these two management's witnesses. The concerned workman in his statement had admitted commission of theft in the Night between 12-12-1982 and 13-12-1982 in the cash room and had also admitted that he was on duty as Havaldar in the said Night. He has stated that he had checked the attendance of all the Night Guards and had patrolled his area but it never transpired that during his duty hours any theft had taken place in the cash room. It is clear from the complaint Ext. M-1 that when Ram Prasad Barhi, Night Guard opened the lock of the main office approaching he found that the lock of the cash room and the lock of the chest was broken. It will thus appear that the lock of the main office was in fact and that the lock of the door of the cash room and the lock of the chest was found broken from where theft had taken place. In para 4 of the W.S. of the management it is said that the theft was committed inside the cash room of Bhalgora section of Simlabahal colliery by breaking open the back side door of the cash room and the lock of the iron safe. The Manager in his statement in Ext. M-1 has stated that on CISF personnel was also on duty in the back side of the office at the main gate. It is apparent therefore that the theft took place at the back side of the office at the main gate and it further appears that the theft took place from the back side of the office. It will also appear that the cash room was being guarded by the CISF personnel. The evidence further discloses that the concerned workman as Havaldar had no specific place of posting at or near about the cash room and his duty was patrolling duty in the entire area where seven Night Guards had been posted. There is no iota of evidence to indicate that any of the night guards were not at their post or that they were sleeping on their duty. There is also no allegation that the concerned workman had absented from duty. The evidence shows that the concerned workman was on duty and there is no specific allegation in the evidence of the management's witnesses to show that the concerned workman had any connivance with the persons committed the theft of money from the cash room or that he had neglected in his duty in any way. Admittedly the concerned workman had patrolling duty to check and supervise the work of the Night Guards and so far that work is concerned it appears that there is no evidence of the negligence of duty of the concerned workman. The two witnesses examined on behalf of the management had not visited the colliery at the night to see whether the concerned workman was not on his duty or was negligent in his duty. On perusal of the entire facts evidence and circumstances adduced on the record there does not appear to be any cogent evidence to establish that the concerned workman had misconducted dishonestly in connection with the employers business or that he had neglected his duty. In my opinion the management has not been able to establish the charges levelled against the concerned workman.

The Police had also investigated into the case on the complaint filed by Shri Kazmi, Manager of the colliery. Ext. W-3 dated 25-12-1982 shows that the Officer incharge Jharia P. S. had investigated into the case but no chargesheet against the concerned workman had been submitted. The chargesheet submitted by the Police is Ext. W-4 in the case and Ext. W-5 is the FIR. It will thus appear that even the police had investigated into the case and had inspected the place of the occurrence but could not find enough of materials to submit chargesheet against the concerned workman.

In the result I hold that the charges against the concerned workman has not been established and therefore the

action of the management of Simlabahal Colliery Kustore Area No. VIII of M/s. B.C.C.L. in dismissing from service their workman Shri Suresh Kumar Pandey, Havaldar with effect from 11-10-1984 is not justified. The concerned workman therefore is reinstated in his original job with effect from 11-10-84 with all back wages and all other consequential benefits. The management is directed to reinstate him and to pay him the arrears of back wages and consequential benefits within one month from the date of publication of this Award.

This is my Award.

PARTIES :

Employers in relation to the management of United India Insurance Company Ltd., Satna (M.P.) and their workman Kumari Kamlesh Sharma, English Typist, Satna (M.P.)

APPEARANCES :

For Workman—Shri B. S. Bisen, Advocate.

For Management—Shri P. S. Nair, Advocate.

INDUSTRY : INSURANCE DISTT. SATNA (M.P.)

AWARD

16-10-1987

In exercise of powers conferred under Section 10(1)(d) (2A) of the Industrial Disputes Act, 1947, the following dispute has been referred for adjudication to this Tribunal by the Central Government vide their Notification No. L-17012/86 D.IV(A), dated the 20th August, 1986 :—

SCHEDULE

“Whether the action of the management of United Insurance Company Limited, Satna in terminating the services of Kumari Kamlesh Sharma, English Typist w.e.f. 12-7-1985 is justified ? If not, to what relief the workman concerned is entitled ?”

2. On receipt of the notification referring the dispute, the workman filed statement of claim on the first date of hearing i.e. on 30-9-86 and also filed documents as per list on 13-10-86. Management however attended the Tribunal on 10-12-1986 the case was fixed for filing written statement and documents by the management and framing of issues. On 12-3-87, instead of filing written statement, the management filed an application stating that the dispute has been mutually settled and an award in terms of the settlement may be passed.

3. When the case was fixed for verification of settlement by the workman and she filed an application verifying the terms of settlement on 7-8-87. Her Counsel also verified the terms of settlement and her signature on 16-9-87. The terms of settlement are as under :—

Terms of settlement

1. That the first party shall withdraw unconditionally her dispute pending with the Central Government Industrial Tribunal ref. Case No. CGIT/LC(R)(68)/86 under the Industrial Disputes Act and all her claims pending in any Government authority or Court against the second party and shall not prefer any claim of any kind arising out of employment or non employment up to this date.

2. That the first party shall not claim any compensation or any other amount against the second party for withdrawing them.

3. That the first party shall not claim any back wages or continuity of service in the case No. CGIT/LC(R)(68)/86 pending before the Central Industrial Tribunal, Jabalpur.

4. The second party shall offer fresh appointment to the first party as typist on probation either at Jabalpur/Satna depending upon vacancy, which shall commence from the date of written acceptance of the offer by the first party. Appointment shall be on probation for a period of six months and all the rules and regulations to the fresh appointment as per letter of appointment, shall be applicable to the first party also.

The first party shall not be entitled to claim any benefit including continuity of services or back wages on the basis of this appointment. First party shall be entitled to pay in the prescribed scale applicable to her cadre from the date of her appointment.

4. I have perused the terms of settlement. In my opinion, the terms are fair, just and in the interest of workman. Hence I give my award in terms of above settlement without any order as to costs.

AWARD

By exercising its powers under section 10(1) (d) of the State Government Industrial Dispute Act, the Government of India/Ministry of Labour, made the present reference to the State Govt. Industrial Tribunal on the following point of dispute by its order no. L-17012/14/81-D.IV(A) dated 10-1-1986.

POINT OF DISPUTE

"Whether the action of the management of the New India Assurance Company Limited, Bangalore in terminating the services of Shri, M.C.T. Iyengar, Inspector w.e.f. 20th October 1971 is justified? If not, to what relief the workman concerned is entitled?".

2. By a General Order No. L-11025/A/87-D-IV(B) dated 13-2-1987, it has been transferred to this Tribunal. It is at Sl. No. 40.

3. The first party workman has then filed his claim statement and his contentions, in brief are as follows :—

In pursuance to the appointment order issued by the erstwhile M/s Vanguard Insurance Company Limited Bangalore dated 1-5-1971 he reported to duty as an inspector on a monthly salary of Rs. 250. The said company was nationalised. There-by he became an employee of the General Insurance Corporation of India. He was continued in service in the General Insurance Corporation of India, at its office of New India Assurance Company Limited. His salary was paid till the end of 19-6-1971. Till the month of October 1971 he has fulfilled the quota of business of every quarter. He was agitating for his salary. On or about 21-12-1971 he came to know that his services had been terminated on the allegation that he had not acquired the minimum business for that quarter. No notice of termination was served on him. He had secured more than the required business. Some officials did not maintain proper accounts and there was mal-practice in the handling of the accounts. Some false reports were sent against him by the local officers to the custodian and on the basis of the same his services have been terminated. No charges were framed against him. There was no enquiry held against him. He has not received any order of termination. Since he has been prevented from discharging his duties, it amounts to termination of his services. He sent a notice, but there was no reply. He raised the dispute before the assistant labour commissioner. The assistant labour Commissioner held that he was not a workman. He then challenged the said order in W.P. No. 4854/1976. It was allowed on 11-8-1980. The conciliation officer was asked to consider his case afresh. The conciliation failed. The Government did not make any reference. He then filed a writ-petition at W.P. No. 35834 of 1982. It was allowed on 3-7-1984. No reference was made. Then he filed a contempt of court case at C.C.C. No. 239/1985. Then the matter was referred. The order of termination is an act of victimisation. It is illegal and unjust. Hence it is prayed that an award may be passed for re-instatement with full back wages and consequential benefits.

4. The second party has filed its counter statement and its contentions, in brief are as follows :—

As stated by the first party he had entered into a contract with a Vanguard Insurance Company on 1-5-1971 as field officer for securing business of Rs. 6,000/- per every three months, on a salary of Rs. 250 per month and his services were to stand terminated if he failed to fulfil the said business. He did not fulfil the said obligation and the custodian terminated his services on 20-10-1971, and a notice was issued by him. It was sent by registered post. He was called upon to hand over the records and render accounts. He avoided to receive the notice. He did not render accounts. He had not secured any business after October 1971. His appointment was contractual in nature. It is denied that he rendered unblemished service. He had reported for duty on 15-5-1971 and appears to have secured business till the month of October 1971. As per contract his services were terminated without further notice, since he had not contracted the guaranteed business nor did he credit the premium collected by him. Since he did not furnish the required particulars of his business, the custodian of Vanguard Insurance Company had intimated him by a letter dated 30-10-1971 that his services were terminated under the contract. He never approached the second party till 22-5-1974. He had no intention to serve company. It is denied that he was prevented from carrying out the business. He avoided to receive the order of termination and further avoided to receive the letters sent by registered post. Since the termination is as per the contract, there was no need to issue any show-cause notice. Karnataka shops and establishment act 1961 was applicable to M/s Vanguard Insurance Company and as a registered employee, his remedies were under the said Act and not under the Industrial disputes Act. Since he had dis-continued his services, and since he was gainfully employed, he had himself abandoned all his rights as against the said company. By General Insurance business (nationalisation) Act 1972, Vanguard Insurance Company was merged in the second party with effect from 2-1-1973. The second party is responsible to answer the claims of the employees only from 1-1-1973. Nationalisation Act protected the rights of employees of the General Insurance business as from 1-1-1973. New India Assurance Company Limited (merger) scheme came into effect on 1-1-1974, and an employee of an Insurance Company became an employee of the second party as on 2-1-1973. The first party workman was not a workman under the second party at any time, and there can be no dispute against the second party. He did not approach the authority constituted under the Act. At this distance of time he cannot raise any dispute against the second party. Even after the nationalisation of the General business he has never made any representation to the authorities under the nationalisation Act. The termination was neither punitive nor casts any stigma on him, and did not call for any enquiry. He is not entitled to any relief. No question of victimisation arises.

5. In view of the said pleadings the following additional issues were raised on 4-4-1986

Additional Issues :—1. Whether the first party proves that the second party has refused work to him which amounts to termination ?

2. Whether the second party proves that the service of the first party workman was terminated by the custodian of the Vanguard Insurance Company for failing to fulfil the guaranteed business ?

3. Whether the second party proves that not reporting to work and no secure of guaranteed business amounts to abandonment of service ?

4. Whether the second party further proves that the termination of the first party by Vanguard Insurance Company without charges of mis-conduct, is in conformity with the provisions of Karnataka shops and establishment Act ?

5. Whether the second party proves that the employee who ceased to be employees prior to 2-1-1973 of Vanguard Insurance Company cannot put up their claims after 2-1-1973 against second party ?

6. What Order ?

6. On 30-4-1987 by IA No. 5 the second party sought for filing an additional written statement. The first party was given an opportunity to file its objections.

7. The parties were heard on IA No. 5 and it was allowed on costs.

8. In the additional counter statement the second party has contended as follows :—

9. The General Insurance (emergency provisions) Act 1971 came into force on 13-5-71 and the management of General Insurance Business then came to be vested in the Government of India. Under the provisions of the said Act any contract made immediately before the appointed day was deemed to have been terminated, and since he had joined service on 15-5-1971, it was void. A collusive and fraudulent transaction stood automatically terminated. The termination of the services of the first party was an act protected under the provisions of the said Act. The second party has come into existence in the year 1974 and without impeding the Government of India, he cannot raise any claim. He was not a whole-time employee on the specified day and he cannot claim any relief.

10. The first party workman has filed his rejoinder to the additional counter statement and his contentions in brief are as follows :—

The emergency provisions Act of 1971 came into force on 13-5-1971 and the management of all the General Insurance Company came to be vested in the Government of India. Since he was an employee of the Vanguard Insurance Company, by virtue of the order of appointment dated 1-5-1971 he was working as a field officer on regular basis and his services came to be absorbed by the Government of India. Their contention that his services were terminated by the custodian in good faith under the Act of 1971 is untenable. The question to be adjudicated is whether the action of the second party in terminated his services with effect from 20-10-1970 is bona fide and therefore their contentions have no merit. The order of termination casts a stigma on him and it is illegal. He may be granted all the reliefs.

11. In view of the said contentions this Tribunal raised three more additional issues as follows :

7. Whether the contract of the first party stood terminated by virtue of any provision of the General Insurance (Emergency Provisions) Act, 1971 ?

8. Whether no dispute can be maintained against the impugned order as contended by the second party in paras 1 and 2 of the additional statement of objections ?

9. Whether the Government of India is a necessary party to the dispute ?

12. The second party has examined 3 witnesses and has got marked Ex. M-1 to M-5.

13. The first party workman has examined himself and got marked Ex. W-1 to W-29.

14. The parties have been heard.

15. My findings on the additional issues and point of dispute are as follows :—

16. Additional Issue No. 1.—It is not proved that the management of the Vanguard Insurance Company refused him to give work till the end of October, 1971.

17. Additional Issue No. 2.—Yes.

18. Additional Issue No. 3.—It is proved that for non-securing the guaranteed business, the contract for service was terminated.

19. Additional Issue No. 4.—The second party has proved that though it was possible for him to seek relief under the provisions of the said Act, he has not availed of the same.

20. Additional Issue No. 5.—Yes.

21. Additional Issue No. 6.—As per order below.

22. Additional Issue No. 7.—The actions of the custodian of the Vanguard Insurance Company taken under the provi-

sions of General Insurance (Emergency provisions) Act, 1971 are beyond challenge in this dispute.

23. Additional Issue No. 8.—Yes.

24. Additional Issue No. 9.—Yes.

Point of Dispute.—25. New India Assurance Company Limited has not terminated the services of Shri M. C. T. Iyengar with effect from 20th October, 1971. The termination of his services by the custodian of the Vanguard Insurance Company is justified. He is not entitled to any relief.

REASONS

Issue No. 4.

26. In para 5 of the counter statement the second party has contended that the first party workman had his remedy under the provisions of the Karnataka Shops and Commercial Establishments Act 1961, but he has not availed of the same. There is no challenge to the contention that Vanguard Insurance Company, Bangalore was an establishment under the provisions of the said Act. For non-payment of wages, the workman had his remedy as per section 18 of the said Act. For the termination of his services he had the remedy under section 39 of the Act. In para 1 on page 3 of his claim statement it has been contended by the first party workman that on or about 21-12-1971, he came to know that his services had been terminated on the allegation that he did not acquire the minimum business for that quarter. The earliest correspondence between the management of the Vanguard Insurance Company and the first party workman after 20-10-1971 is the letter by the administrative officer of the Vanguard Company to the first party workman dated 23-10-1972, Ex. W-20. On receipt of the said letter he had returned one unused cover note book as shown in Ex. W-21. It is contended by the first party that he had received Ex. W-20 16-12-1972 and then he gave his representation Ex. W-22, dated 16-12-1972. These facts show that though he had not been permitted to work for Vanguard Company from the end of October 1971 and though he had not been paid any salary since June 1971, he did not make any move until 16-12-1972, the date of Ex. W-22. There is no explanation as to why he did not seek any relief under the provisions of the Karnataka Shops and Commercial Establishments Act, though it was possible to have immediate remedy.

27. Additional Issue No. 1.—Ex. M-2 is the order of termination of his services. In para 10 of his evidence the first party workman states that he did not receive any such letter when he was in service. According to him he had received a letter from administrative officer dated 23-10-1972 as per Ex. W-20 and he gave a representation on 16-12-1972. In paras 11 and 12 of his evidence he further states that Ex. W-20 was the first communication that he had received from the management to show that his services had been terminated and since it was received by him on 16-12-1972, though it is dated 23-10-1972, he gave his representation Ex. W-22 on 16-12-1972. In Ex. W-22, he has not made out any grievance that he was not allowed to canvass for business till the end of October 1971. Admittedly Ex. W-23 dated 27-12-1972 is a legal notice issued on his behalf, and under his instructions. In Ex. W-23 it has been made out that there was nothing in writing communicated to the workman except Ex. W-20 the letter dated 23-10-1972, which he had received on 16-12-1972 and that the explanation given by him was refused to be received by the office, but, however it was left at their place. Thus in Ex. W-23 there was no case at he did not work till the end of October 1971. Ex. W-26 is another notice sent by his lawyer Shri K. Subba Rao. It is dated 20-5-1974. In paras 3 and 4 of the notice there are assertions that he continued to work till the end of October 1971. In the first para of his claim statement on page 3, he however contends that on or about 21-12-1971 he came to know that his services had been terminated. Though he contends in para 3 of the claim statement that till the date of the filing of the claim statement he had not received the order of termination, he pleads that he was prevented from discharging his duties and the said act on the part of the management amounted to termination of his services. However, the workman, has not contended in the claim statement as to from what date he had been prevented from carrying out his work.

87/1551 GI-11

(a) The second party has raised the contention that his services were terminated with effect from 20-10-1971 and that its attempts to serve the order of termination on him by registered post were not successful and that he avoided to receive the same. It is then contended that he had not given the accounts of the premiums collected by him and not returned the records which had remained with him.

(b) The workman has made a statement in para 6 of his evidence that even in 1972 he was putting up in the same address as is shown in Ex. W-2. Ex. M-2 bears the same address as shown him Ex. W-2. The contention of the management that he avoided to receive the order of termination sent to him by registered post as per Ex. M-2 thus deserves to be accepted.

(c) His representation Ex. W-22 and the two legal notices Ex. W-23 and W-26 make out a case of the workman himself that the second party did not refuse him work till the end of October 1971. On issue No. 1, a finding arises that the first party workman has not proved that work was refused to him till the end of October 1971.

28. Additional Issue No. 2.—In para one of the counter statement, it has been contended that the first party workman had not fulfilled the obligation of securing required business and as a consequence his services were terminated. It has been contended by the second party that it was not a contract of service, but a contract for service and therefore the first party cannot maintain the reference. The order of appointment is at Ex. M-1. There are the following terms and conditions in connection with his appointment.

1. "That you shall guarantee a premium income of Rs. 6000 (Rupees six thousand.....) per quarter.

2. That in consideration of and so long as you fulfil the above guarantee, you will be paid a monthly salary of Rs. 250 (Rupees two hundred fifty only) inclusive of all allowances.

3. That your business turn over will be reviewed every three months. Should there be any short-fall in the first instance, you may be given an opportunity to make good the deficiency in the next quarter.

4. The company has the right without giving you the further opportunity mentioned in para 3 supra, to terminate your appointment if the guarantee is not fulfilled as stipulated in clause 3 supra or for not remitting the premium collected to the company, or for not carrying out any of the directions issued by the company or for any other just and reasonable cause, without giving you any notice.

5. That you shall at all times abide by and conform to the provisions of the Insurance Act, 1938 in so far as they are applicable to the field workers."

The term and condition which states that in consideration of and so long as he gives the guaranteed business of Rs. 6000 per month he will be paid a monthly salary of Rs. 250 makes it a contract for service and not a contract of service. The power retained by the management to terminate the contract as per clause 4 makes it more clear that it is a contract for service.

29. Supposing for a while, for the purpose of discussion that it is a contract of service, it requires to be examined whether the management was justified in terminating the same and whether such an action is in accordance with law. As observed earlier, it has been contended by the second party that he did not contract the required business of Rs. 6000 per quarter and therefore his services were terminated as per clause 4. The first party workman WW-1 has sworn that his salary for the month of May 1971, was paid in cash and that of June was paid by cheque. Ex. W-3 dated 19-7-71 is a letter by the management and it indicates that a sum of Rs. 250 was paid by cheque towards the salary of June 1971. There is no dispute on the point that no salary has been paid for the period subsequent to 1-7-1971. On the basis of the oral evidence of WW-1 and the documents at Ex. W-22, W-23, and W-26 as described above, it was submitted that since the required business had been given, he had been

paid the salary for May and June 1971. From the fact of mere payment of salary no inference can be drawn that he had co-ordinated the required business. At the end of para one of the claim statement it has been alleged as follows:—

"The real reasons for the termination of the services were that some officials did not maintain proper accounts and therefore used to be very serious organisation and the malpractices in the handling the accounts. The first party workman was never a party to this state of affairs. Some officers by issuing cover notes to prevent the first party workman to carry out his business from October 1971."

There is no case put-forth in his claim statement or in the evidence of WW-1 that he was not required to maintain any record at all, regarding the business secured by him. In para 9 of his evidence, the workman M.C.T. Iyengar swears that ten days earlier 30-10-1971, he learnt that his services had been terminated. If he had learnt in October 1971, itself that his services had been terminated, one fails to understand as to why he did not make any representation in writing until he received the letter dated 23-10-1972, Ex. W-29. Ex. W-20 discloses that he had with him 14 cover notes and they were not accounted for. The letter Ex. W-20 calls upon him to send the copies of the cover notes along with the premium amounts, if he had used them. He has been further asked to submit the accounts or indicate the date of submission of accounts, if already submitted and show the total remittance. Ex. W-21 shows that on 19-12-1972 he handed over one up-used cover note book containing ten leaves. The contention of the workman that he was not required to maintain any accounts or any records cannot be believed in the face of Ex. W-21. As stated earlier Ex. W-22 dated 16-12-1972 contains his earliest version. In the first para he states as follows:—

"For the first two months I have drawn my salary for reasons that I have fulfilled my target. Subsequently on the third month, the introduction of my business and that of my Agents though the cover notes were issued and the premium remitted. Statements of Accounts and some of the cash receipts which in possession of cash receipt go to reveal that they were brought to my account only in the month of October and not on the month remitted. The cover notes issued by some of my agents, though the premiums were realised the certificates were not issued."

30. In the third para it is stated that he may be called upon to produce some of original documents which he has in his possession to prove the fact of mis-use and misappropriation. He further states that it may not be possible for him to produce all the documents but he can produce some of the documents which were in his possession. The first party workman has not produced the documents referred to by him in his representation Ex. W-22. Now, in para 6 of his evidence he states that the premium sent to the divisional office should have been accounted for but, they have brought out receipts after 2 or 3 months. In para 7 he further states that he has produced triplicate copies of the receipts of the agents and he has collected them from the agents. These receipts have not been proved and hence not marked. In para 8 he further states that the divisional office used to send original receipts to the parties and he has produced them at Ex. W-4 to W-19. There is nothing in Exs. W-4 to W-19 to indicate that the amounts paid thereunder by the various parties were as a consequence of business done by the first party. No witness has been examined to connect these documents with the business done by the first party workman. Ex. W-19 is of November 1971 it does not help the workman. The receipts at Ex. W-4 to W-18 are for the period between 27-8-1971 and 12-10-1971. There is no indication in them to show that the business of those transactions was done by a certain agent and that the said agent had succeeded in securing the said business because of the efforts of the first party workman. The same is the case with the carbon copy duplicate receipt Ex. W-1. Even if it is considered that Ex. W-1 and Ex. W-4 to W-18 show the business procured by the first party workman the total amount for the quarter of May 1st to July 31st is not of the magnitude of Rs. 6,000 and the other documents such as Ex. W-28 and W-29 and the postal acknowledgement receipts such as W-24, W-25, and

W-27 do not show any other business effected by the first party workman. His evidence falls short in proving that he had procured the business of Rs. 6,000 for the two quarters, namely May 1st to July 31st and August 1st to end October 1971. The evidence does not even prove that he had effected the business of Rs. 6,000 for the first quarter May 1st to October 31st of 1971.

31. The learned counsel for the first party cited the case of Express News Papers V/s. Labour Court, Madras [1964 (1) LLJ page 91]. The authority is on the point that the services of a probationer within the period of probation cannot be dispensed with except on the ground of mis-conduct. In the first place it was not a contract of service. Secondly, the management of the Vanguard Insurance had agreed to pay monthly salary in consideration of and so long as he procured the guaranteed business of Rs. 6,000 per quarter. Clause 3 of the order Ex. W-2 indicates that the management had the discretion to give him an opportunity to make good the deficiency of any quarter. Clause 4 makes it abundantly clear that the company had reserved the right to terminate his services if the guaranteed business was not given or if premiums were not remitted or for any other just and reasonable cause. In the reported case the Labour Court had held that the workman had been victimised and that the termination was mala fide. The Hon'ble Supreme Court upheld the finding of the High Court that there was no automatic termination of services after the expiry of the period of probation. In the cases at hand there was no appointment on probation and it is not a case where the termination of services is mala fide or by way of victimisation or by way of unfair labour practice. Therefore, the case of the probationary cannot be compared to the case of an Insurance Inspector, whose sole business was to procure guaranteed business of Rs. 6,000 per quarter and then only become entitled to the salary of Rs. 250 per month. The authority does not help first party.

32. The learned counsel for the first party cited the case of Central Inland Water Transport Corporation Limited V/s. Karunakanti Sengupta [1986 (2) LLJ page 171]. The authority is on the point that if a rule contains a provision of discharge simpliciter it cannot be upheld. The facts of the reported case would show that the employee had been appointed on 8th September, 1967 and the new rules had come into force in 1979. Under such circumstances the rule has been struck down and the provision of discharge simpliciter is held to be bad.

33. The learned counsel for the first party then cited case of S. Govindraju Vs. KSRTC [1986 (2) LLJ page 351] and contended that the termination of his services is illegal. The facts of the reported case would show that the workman was appointed as a conductor in a temporary vacancy, and that he had worked for more than 240 days and then his services were terminated on 5-5-1985. Under such circumstances it has been held that the termination attracted section 25F of the I.D. Act and cannot be upheld.

34. Since the facts of both the reported cases are different and since the workman in this case had hardly turned out any work for some days for less than 240 days, the principles laid down in them do not help him.

35. The evidence of MW-1 Bhimappa discloses that the inspectors used to collect premium and that the same used to be entered in a book and the inspector used to keep the duplicate with himself. He further swears that the inspectors used to keep the duplicate cover notes. In para 7 of his evidence he states that the field officers used to collect the premium amounts. He has produced the documents to show about the business done by the first party. Ex. M-4 shows that neither for the second quarter nor for the first quarter from May to July he had done the required business. Ex. M-3 is a copy of the objections filed by the management before the conciliation officer. It indicates that at the earliest opportunity the management contended that because he had not produced the required business, his services had been terminated. In para 10 of his evidence MW-2 Channa Anna, the Assistant Administrative Officer also states that the first party had not effected the required business. In para 11 he further swears that he had participated in the conciliation proceedings and had filed Ex. M-3 and M-4. The evidence of MW-3 Balaram, the then sub-branch officer of Vanguard Insurance Company, shows that the inspectors

used to maintain cover notes, proposal forms and premium receipt books and that it was the duty of the inspectors to keep a record regarding the lenses of the agents also. In para 11 he swears that the Inspectors had to give certain guaranteed business and for that purpose he had to maintain the records. The evidence produced by the second party is clinching and proves that even otherwise, he had not contracted the guaranteed business and that the termination of his services cannot be assailed.

36. Additional Issue No. 3.—The evidence produced by the second party does not prove that it is a case of abandonment of service for the reason that he had not reported to work. It is their case that for not securing the guaranteed business, his services were terminated.

37. On Issue No. 4.—A finding, thus emerges that he did not seek any remedy under the provisions of the said Act, though it was possible for him to do so.

38. Additional Issue Nos. 5 to 9.—In the additional counter statement filed along with I.A. No. 5 it has been contended by the second party that when the General Insurance (emergency provisions) ordinance of 1971 came into force on 13-5-1971 any contract made immediately before the appointment day was to stand terminated. Section 3(2) of the ordinance relates to any contract which provided for the management of the undertaking of an insurer. Ordinance was promulgated to provide for taking over of the management of General Insurance business. The learned counsel for the second party cited the case of New India Assurance Ltd. V/s. V. R. N. Chaturvedi (1978 LAB I.C. page 1349). The authority itself shows that the provisions of section 3(2) of the ordinance cannot be invoked to challenge any appointment or service condition of an employee of a erstwhile Insurer, only for the reason that such appointment had been made prior to 13-5-1971. It is one of the contentions of the second party that the first party had joined the services of Vanguard Insurance Company on 15-5-1971 as per his own statement made in the claim statement. Ex. M-5 has been produced to show that in the copy given to the second party, the first party has stated that he had been appointed as Inspector on 15-5-1971. The learned counsel for the first party submitted that it was a typing mistake and that the original claim statement filed in this Tribunal shows that he has pleaded that he had been appointed on 1-5-1971. The letter of the assistance labour commissioner Ex. W-28 and the minutes of the discussions Ex. W-29 do indicate that as back as 1974, the first party has contended that he was appointed on 1-5-1971. I do not find any force in the contention of the second party that it should be held that he has pleaded that he was appointed on 1-5-1971.

39. In paras 1 and 2 of the additional counter statement it has been contended by the second party that the acts done by the custodian under the provisions of the ordinance and General Insurance (emergency provisions) Act of 1971, cannot be challenged and that the first party cannot maintain the reference. The learned counsel for the second party pointed out to section 13 of the ordinance and corresponding section of the enactment. The learned counsel for the first party argued that the order Ex. M-2 is not bonafide and cannot be sustained. No convincing material as been placed on record by the first party to show that the order is not bonafide. No submission was made in answer to the objection raised by the second party on the point of maintainability.

40. The second party has contended that prior to 2-1-1973 the first party had ceased to be an employee of the Vanguard Insurance Company and therefore he cannot claim any relief against the second party. In the legal notice Ex. W-23 dated 27-12-1972 the first party had asked the custodian of Vanguard Insurance Company to take him back within 24 hours and give him all the benefits failing which he will initiate legal proceedings. Admittedly, the custodian did not accede to his demand. The General Insurance Business (Nationalisation) Act 1972 had come into force on 2-1-1973. Under section 7(1) of the said Act an employee of an existing insurer who was in service before the appointed day became the employee of the Indian Insurance Company. Sub-section (2) of sub-section 7 states that if any question arose whether he was a wholotime officer or an employee or whether he was an employee in connection with the business or not, the said question shall be referred to the Central

Government and the decision of the Central Government shall be final. Ex. W-29 shows that prior to 20-11-1974 itself the management had taken a contention that his services had been legally terminated on 20-10-1971 and that he was not a workman at all. The first party had still time even as on the date of Ex. W-29 to approach the Central Government and seek for a decision on the point that he was an employee of the existing insurer on the appointed day. Since the workman has not availed of the remedy under section 7(2) of the said Act, it is difficult to hold that as on 2-1-1973 he was an employee of the Vanguard Insurance Company.

41. In para one of the additional counter objections the second party has contended that the nationalisation ordinance and Act of 1971 have made provisions to avoid, collusive and fraudulent transactions in relation to the management of the Insurance Companies. On the basis of the said pleading it was argued that the employment of the first party workman was fraudulent and collusive. It was pointed out that in 1971, the first party was about 45 years old and un-employed and under such circumstances it may be held that the appointment itself was not valid. WW-1 Mr. Iyengar, the workman admits in his evidence that he had received the order of appointment Ex. W-2 on 19-7-1971. He has not produced any evidence besides his own statement and assertions made by him in Exs. W-22, W-23, and W-26 that he had joined on 1-5-1971. An admission made by a party in his own documents, cannot be pressed into service for his own benefit. Out of Ex. W-1 and W-4 to W-19 there is not a single document which shows that he had turned out any business in May, June and July of 1971. By virtue of section 3(1) of the ordinance, the management still vested with the officers of the erstwhile Vanguard Insurance Company, even after the ordinance had come into force on 13-5-1971, and the only difference was that they were carrying on the management of the undertaking on behalf of the Central Government. The workman has not produced any evidence to show that he had joined and shown any tangible work, either in May, June or July of 1971. Ex. W-3 dated 19-7-71 showing that he had received the salary of Rs. 250 for the month of June 1971 is on evidence to prove that he had worked for the company in May 1971. Similarly there is no documentary evidence to show that he had worked in the month of May and June, 1971. There is no reason as to why he had received the order of appointment as late as 19-7-1971, if he had joined and started effecting business for the company with effect from 1-5-1971. Section 4 of the nationalisation Act 1972 provides for the vesting of shares. Section 11(1) of the Act provides for the payment of amounts for the vesting in order that shareholders may be paid amounts of the shares. A part of the schedule indicates that the amount payable to be Vanguard Insurance Company was the lowest, being Rs. 896 when value of the shares of the company was so meagre, it becomes difficult to believe that the first party employee had contracted to do business of Rs. 6,000 per quarter and that he had a number of agents or that he had, in fact contracted business of Rs. 6,000 per quarter. The first party employee has not been able to spell out even the names of his agents through whom, he had contracted the said business. Not a single agent has been examined to support his evidence that during the relevant period business of Rs. 6,000 per quarter had been done. All these circumstances constitute a strong basis and the preponderance will be in favour of the second party that the appointment of 1-5-1971 was in nature, collusive and fraudulent. In such a case the custodian had the powers under section 5 of the ordinance to terminate the services of an employee, even otherwise than as per the terms of the contract Ex. W-2.

42. The chief ground of defence put-forth by the second party is that the second party, namely, New India Assurance Company came into existence by virtue of the scheme called as the New India Assurance Company Limited (merger) scheme 1973. The said scheme came into force on 1-1-1974. It came into being by virtue of section 16(1) of the nationalisation Act of 1972. Section 21(1) of nationalisation Act of 1972 made a provision that notwithstanding anything contained in the companies Act etc., the management of the company continued to vest in the custodian and he was empowered to exercise all the powers and to do all the Acts

exercised or done by the directors. Under section 21(2) the Central Government had the over-all power of the management. Thus, if there was any cause of action, or claim or vested right in the first party until 1-1-1974 it was only against the custodian or the Central Government. According to the representation of the workman Ex. W-22 dated 16-12-1972 or the first legal notice Ex. W-23 dated 27-12-72 the cause of action had arisen in December 1972 itself and if there was any claim it was only against the custodian of the Central Government. Since there has been no custodian after the scheme came into force on 1-1-1974 and if there was any vested right for a claim against the Acts of the custodian, it was only against the Central Government. The Central Government has not been made a party to the present proceedings. Under para 4(2) of the scheme it is provided that if on the specified day any suit, appeal or other proceeding of whatever nature was pending it shall not abate and that it shall be continued against the transferee company. Para 5 of the scheme states that every wholetime officer or other employee of any merged company, who was employee immediately before the specified day shall become an officer or other employee of the transferee company on the same terms and conditions. The combined effect of paras 4 and 5 of the scheme would thus indicate that if on 1-1-1974 a person was an employee of the company or if any proceeding was pending in any court of law on that day, then only, the transferee company can be substituted for the merged company or made liable. No evidence has been pointed out to show that on 1-1-1974 the first party workman was an employee of the merged company or that any proceeding was pending in any court of law against the merged company as on that date. Under the circumstances, even if it is to be held that the first party workman is entitled to any relief, the same cannot be enforced against the second party and there can be no award in favour of the first party as against the second party. The Central Government was a necessary party to the proceedings and in the absence of the Central Government, there can be no award.

43. The learned counsel for the first party contended that W-3, and W-20 indicate that the custodian had recognised him as an employee and the provisions of the section 7 of Act of 57/1972, are not attracted. With reference to the facts on record, it has been already discussed as to how the provisions of the section 7 of the said Act are appli-

cable. As on 1-1-1974 he was neither the employee of the Vanguard Insurance Company nor had the availed of the provisions of section 7(2) of the nationalisation Act of 1972 and in that event, the provisions of paras 4 and 5 of the scheme are of no assistance to him.

44. The learned counsel for the first party contended that the termination of the services by the custodian was illegal and that the said termination attracted the provisions of section 25F of the I.D. Act and thus it was illegal. The provisions of section 25F of the I.D. Act are not at all attracted since it is not a case of discharge simplicitor of a workman who had put in more than 240 days of continuous service nor is it a case of dismissal for misconduct. Accepting for a while that the provisions of section 25F and 25F were attracted and that termination of his services was illegal, the party answerable was the custodian as long as the said post existed and after that it is only the Central Government and none else.

45. The findings on issue Nos. 5 to 9 thus go against the first party workman.

46. Point of Dispute.—There is no evidence on record produced by the first party to show that it was the second party management which had terminated his services or that the second party management is, in law liable for the termination of his services with effect from 20th October, 1971 or that he is entitled to any relief as against the second party.

47. In the result, an award is hereby passed that the management of New India Assurance Company Limited has not terminated the services of Shri M.C.T. Iyengar, Inspector with effect from 20th October, 1971 and that for the act of termination of his services, the said management is not responsible and that he is not entitled to get any relief from the said company.

(Dictated to the secretary taken down by him and got typed and corrected by me.)
